/Cherie M. Woodward/  
Primary Examiner, Art Unit 1647

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted Applicant's representative McKeon regarding the drawings and specification amendments related to Figure 1B-1, which is recited in the specification as Figure 1C. There is no Figure 1C in the drawings, but there is Figure 1B-1, which follows Figure 1B. The examiner proposed an Examiner's Amendment which will require replacement drawing sheets to amend the label of Figure 1B-1 to Figure 1C, so that the drawings and specification are in agreement and the case can be passed to issue. The examiner also proposed to delete the word "novel" from the title of the invention.
